Workshops

1. Strong and Steady. Give Your All

June Fyvie

A refreshing Bible study on our theme verses.

2. Thailand: An Incredible Journey

Fiona Kwok

Imagine, one day working at CBOQ and hosting numerous events and living in the ever-growing city of Brampton and the next, thousands of miles away in remote Northern Thailand! Only God could put that together! Learn what God is doing in this crazy part of the world.

3. Jesus Be The Centre

Colleen Butcher

Walking faithfully with Jesus is an ongoing process of reorienting ourselves to the things that matter . . . to the person that matters! Spiritual practices form the soil within which our faithfulness can grow. In this workshop we will learn about the practice of labyrinth walking—how it helps to reorient us, trains us to see things from God's perspective, and slows us down in order to allow the life of Jesus to root more deeply and flourish more beautifully within us.

The workshop leader will make a temporary labyrinth, and hand out instructions and share about making one in participants' gardens or on their church property. Please note: The workshop is capped at 20 participants.

4. Ministry After 55

Faith Holwyn

Faith will share her journey to finding a fulfilling second career after her initial retirement at age 55. She will challenge participants to hear God's call and to respond to needs around them. Through drama, she will share a story from the Bible as a way of explaining the *Groups of Hope* program, with the hope that participants will feel inspired to look at where God is leading them.

5. Living and Leading from a Healthy Soul

Catherine MacKeil, (NextLEVEL Leadership)

Mark 12:28-30

"Of all the commandments, which is the most important?" Jesus replied, "The most important commandment is this: 'Listen, O Israel! The Lord our God is the one and only Lord.

And you must love the Lord your God with all your heart, all your soul, all your mind, and all your strength."

Explore helpful metaphors to use in an ongoing way—when we recognize something in us that we don't want as part of us, learn how we can move from soul sickness to soul care.

6. So you want to stop human trafficking and end modern-day slavery?

Panel discussion with Stan Burditt (*Men Against Sex Trafficking*), Aura Burditt (*London Anti-Human Trafficking Unit*), Ruthe Murphy (*Emmaus Childhood Abuse Recovery and Education Services*) and Renée James (*CBWOQ/Buying Sex Is Not A Sport*)

You feel God's prompt to get involved and help end human trafficking in your community, but you don't know where to start. At this workshop you'll hear the stories of some women (and one man) who got involved, in different ways, in the fight to end human trafficking. They'll also answer all the questions you may have.

7. Faith-Filled Days

Rev. Tanya Yuen

Discover practical and simple ideas for building faith at home in our children as we journey through the seasons of the year and the church calendar.

8. Stay the Course: Learning to persevere, even thrive, in long-term ministry

Linda Wolfe

All ministry has its ups and downs, especially over the long haul. How do we keep our passion and joy, keep fueling our souls, as we serve? If you desire to fine-tune your endurance in ministry, this workshop is for you!

9. Jesus Be The Centre (a repeat of the morning workshop)

Colleen Butcher

This is a repeat of workshop #3. It is also capped at 20 participants.
